sonal Dullness and Strikes Have Some Effect, but Fail to Halt Orderly Progress; Fall Goods Selling

EASONAL duliness, accentuated by the rairoad and coal strikes, sailed to halt the steady progress that appears to be going on in The mercantile world is turning its eyes toward fall with er hope and optimism than have been current at almost any time this Following the upward swing in many lines last fall, the spring showed a recession. The first half of the current year was not Retailers managed to keep up the flow of merfermity good. made on summer seasonal merchandise, the sale of which was reand earlier in the year by cold and rainy weather,

trade is now awaiting the registering of the demand in preparation for regular with tis true, but with a steadiness of the demand in preparation for regular winter business. Fur manufactured growth are attracting some attention, with in the cotton wash goods, and several of the smaller houses have passed into bankruptcy or are gwing up business. Fairly large quantities of summer furs remain in dealers hands and are quoted at much lower prices than prevailed a short time ago.

of worry in the textile fields. these advances have not pro-much beyond the secondary or creed much beyond the secondary or calculated stage of merchandise. Ching, shoes and kindred products in not shown any oppared price trend, woolens, silks, cottons and

Cotton goods showed fair activity d week. A large number of jobbing yers were in the market, but their erations, particularly on wash goods rast spring, were of a conservative peralims, partial was a conservative as act spring, were of a conservative stare. The dress goods buyers' meeting on Tuesday developed the opinion out ratines, crepes and similar fabrics are expected to hold good for next sping's selling. The jobbers are still essatisfied with the gingham situa-

spings sening. The jobbers are still esstissed with the gingham situation.

Not all lines of spring wash goods to develop until more is most of this year's cotton prices, with will lead to better price stabilistic. Some wash goods show slightly advanced prices.

In the stable on the season are likely.

The men's wear trade has been stirred to some extent by the new woolen prices for spring. As was expected, the new prices show greater advances in woolens than in worsteds. Fredictions that spring suits of wools can will have to be advanced are being and.

Fall apparel continues.

in fair quantity by retailers, and manufacturers, particularly the larger ones, have fair orders on hand. y advanced prices.
In the staple and primary cotton
gods market there was no feature of
distinction. There was fair buying in
some quarters at unchanged prices.

Leather

Leather buying was active last week,

Centinued better demand for finished elks and a price lift in raw silks were uported last week. Silk buyers are elflowers better demand for finished to the upward trend of prices of both leather and hides. Prices of calf-skins advanced 20 per cent and there was talk of further advances. With such factors present in the raw materials con the market lester erepe maintains its place as the maintenance maintains its place as the maintenance maintains its place as the maintenance of leather prices tended upward. Sole leather was in good demand, due in part to larger orders from foreign buyers. The kid markets were firm and sellers reported active buying by shoe manufacturers. Fancy leathers were in good demand by bag and trunk makers. The offal market was steady, heavy leather was bought was, metalosse and blistered silks, and trunk makers. The offal market was buy of them imported, are beginning a more fairly freely. The old line ups silks are still dragging.

Woolens

Woolens

Was steady; heavy leather was bought by the entire list of users of solv leather. Shoe manufacturers are optimistic regarding fall business, but reports of fall sales are not yet available to confirm this feeling.

Conservatism still prevails in the buying of women's fall apparel by retailers. Buyers have been numerous, but they are still shaping their buying plans and making price comparisons. A particularly active season in dresses is anticipated, due chiefly to the radical style changes. The vogue for light sweaters worn without waists has reacted on the blouse trade, but prospects in the waist industry are improving, it is said. There has been little complaint about apparel prices so far.

complaint about apparel prices so far.
They have reflected the higher cost of
silks and woolens so far, but manufacturers intimate that advances later
on in the season are likely.
